Thank You

Because of you, our valued ticket buyers, this is our 26th year of giving away new Corvettes. Though you may not have won one of those 40 Corvettes, we still hope you are very proud to have been a part of helping the charities we, together, have supported. Your contributions have provided over \$370,000 to the Miami Valley Spina Bifida Association. This has provided medical equipment and supplies not covered by insurance, enabled children to attend handicapped-accessible summer camp, and provided handicapped-accessible home modifications. We have also been able to donate over \$10,000 to other local charities, including Miami County Hospice, Phillip Clawson Scholarship for Tippecanoe High School students, Troy Partners in Hope Car Repair Program, Union Township Life Squad, Miami County Mental Health Association, Veterans to visit WWII Memorial in DC, Miami County ALS Association, Needy Basket for food supplies for families, Giving Tree for school supplies for children in need, and the Special Wish foundation. All this thanks to your generous support.

We have again been able to hold the ticket price at \$250 which provides the ticket holder two chances of winning a new Corvette. We believe this drawing provides among the best odds to win of any automotive prize charity benefit drawing. For this to continue, we need your support again this year. We ask you to please buy a ticket and encourage your friends, family and co-workers to do likewise.

Thank you again for 26 Great Years
